Construction**SOLUTIONS**

DBX1000 Plastic Dryer Vent Box with Snap on Trim Ring

- **Made out of High Impact Polystyrene**
- **Comes in two sizes, 4" and 6" sizes for 2x4 or 2x6 framing**
- **Snap on trim ring helps eliminate extra drywall, caulking and paint repairs**
- **Each box has knockouts for direct venting, down venting & up venting**
- **Comes with knockouts for gas pipe on top and bottom of the box**
- **Box can be rotated to accommodate any type of venting**
- **DBX1000 is wider than our DBX1000M in order to help you accommodate for larger stud cavities**
- **White in color to match the washer box**
- **Can also be used behind gas stoves to recess the gas hose connection**
- **Comes with two straps to help attach the box to both studs**
- **UL Recognized Component**
