ASSEMBLY OVER 300 OCCUPANTS

Dear Applicant:

This is to advise that the previous review letter dated 07/13/2009 for this project is hereby amended as follows:

1. **This office is in receipt of correspondence dated September 23, 2009 and revised drawing A-1.1 dated 09-21-09 pertaining to the above referenced facility.**

THE SCOPE OF WORK HAS BEEN REVISED. Portions of the building indicated as PHASE 1 on the referenced drawing are included in this review.

Prior to construction of the PHASE 2 work indicated on the drawings, submit plans, specifications, application, and Life Safety review fee for the scope of work anticipated. An additional LSUCC review fee will not be required for that phase.

The revised drawing referenced above has been stamped by this office and shall be bound to, and become part of, this office's original stamped drawings to be retained at the jobsite for presentation at inspection.

All item cited in the original review letter for this project dated July 13, 2009 remain applicable.

This review applies to the work indicated on the drawings or specifications.

This review shall in no way permit or authorize any omissions or deviations from the specific requirements of the adopted codes, rules and regulations in accordance with R.S. 40:1574.1(B).

The above amended review is valid if construction starts within 180 days from the above date of the original review letter.

Occupancy of the project will not be permitted until we receive the completed certificate and a satisfactory inspection of the completed construction has been made by this office.

To arrange for inspection of the project, please contact the District Office at the phone number below, two (2) to three (3) weeks in advance. Approved plans must be available on job site at time of inspection. Certificate of completion must be provided to inspecting Deputy for final inspection.
