This serves as your notice that the SHPO received your submission. The National Historic Preservation Act allows the SHPO 30 days, from date of receipt, to process and respond to your request. Any submission received on a State holiday or after 5:00 pm Monday – Friday will be considered received the following business day.

We are no longer able to offer expedited reviews unless a previous legal agreement is in place and please allow two weeks from submission before project status inquiries are made. Thank you for your cooperation.

For inquiries on project status call (225) 342-8170 or (225) 342-6931 and ask for Section 106 staff.
