Dear Mr. Ordoyne,

Dammon Engineering, Inc. proposes to furnish Engineering services to layout the site plan and design a 3,750 sf building, located on Jefferson Hwy in Jefferson, Louisiana.

We propose a total fee of \$14,950.00 (Fourteen Thousand Nine Hundred and Fifty Dollars) for construction documents. This fee does not include cost of soils analysis (if required), survey, topo, or other government agency fees.

If selected we ask for a deposit of \$1,000.00 to start work. We propose to then bill \$6,000 when the site plan is complete and the balance due following 100% design completion.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

  
David Dammon
