Dear Mr. Castro
 Mr. Rushe

It was a pleasure to meet with you and discuss your project to design the addition to the referenced facility, through Fire Marshal approval. As discussed, Dammon Engineering, Inc. will provide our Engineering services to work with you and design the approximately 1,116 s.f. addition of offices and a board room to the existing structure.

electrical, mechanical & plumbing for the

and to handle the submittal process, build out of

of approximately 2548 S.F. of space with 2548 S.F. of process & packaging area and approx 5994 S.F. of warehouse area.

We propose a total fee of ~~\$2,000.00~~ for this work. This fee includes the Fire Marshal review fee, five sets of plans provided to you following the Fire Marshal's review and response as well as the site plan. This fee does not include a drainage plan (it is recommended that you contact J.V. Burkes, since he conducted your drainage study and survey). Our fee also does not include the cost of soils analysis (if required) or government agency fees, or the cost of traffic, or other engineering studies, that may be required by St. Tammany Parish.

\$3000.00

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
