

Thank you for requesting electric service with Mississippi Power. Opening a new business or expanding an existing one is an exciting time, and we want to help get you up and running as quickly as possible.

To begin your request, we need additional information related to your business. Please complete the attached Electric Service Request form and email the completed form to business@mississippipower.com. Once we receive the information, you can expect to be contacted by a member of our engineering team within 2-3 business days to discuss next steps. Please ensure the form is completed in its entirety to prevent unnecessary delays.

Did you know Mississippi Power also offers additional services and expertise to help make your business stand out?

- **Outdoor Lighting Services**-Well-designed outdoor lighting makes your property more attractive, inviting and enhances your customers' and employees' comfort and safety. Our lighting experts work with you to create outdoor lighting plans tailored to your specific needs, whether that means a few lights or a complete outdoor lighting system.

To learn more about lighting options available for your business, visit us [here](#) online or at mississippipower.com/mybusiness.

- **Electric Transportation and Charging**-Position your business as a leader in innovation by installing electric vehicle chargers at your facility. We can help with equipment selection and installation, and we offer the convenience of lease or turkey installations. Let us maintain your ET charging equipment and we can include your monthly lease payment on your electric service bill.

Our experts can also help with your electric fleet needs for both material handling and on-road vehicles.

To learn more about electric transportation and charging options, visit us [here](#) online or at mississippipower.com/mybusiness.

If you have questions or need additional information, please contact our Business Service Center by calling 877-656-1836. Business specialists are available Monday-Friday from 8 am to 5 pm. You can also visit us online at mississippipower.com/mybusiness.

We look forward to partnering with you to ensure all your business needs are met.
