

ROOF PLAN

CONTRACT ROOF FINISHES:
 -> All gabled roofs, on square size of rafters, use one pair of
 -> 2x12 rafters spaced 16" o.c. with 2x10 joists spaced 16" o.c.
 -> For a balance of system, ventilation should be equal at the
 -> top and bottom of system, always provide more than 50% of the
 -> total required ventilation at the eaves and the remainder
 -> at the top of system if applicable.
