Terms and Conditions

Payment Terms: 35% Due Upon Mobilization and Remaining Balance Due as Invoiced

- Linear footage stated is approximate. Owner agrees to pay for total number of linear footage installed/constructed.
- The discovery of any previously unforeseen circumstances (i.e. obstructions, soil conditions) which will affect the work will require us to contact the owner to discuss before work is resumed.
- Owner is responsible for obtaining and maintaining any and all permits required for the work described
- Balances not paid within terms are subject to 1 1/2 % finance charge and attorney's fees necessary to collect payment.
- Owner is to use approved backfill for bulkhead. Gill's will not be responsible for the integrity/strength of bulkhead without the use of approved fill.
- Backfill is NOT Included in price unless stated otherwise.
- A Warranty of Construction applies for a period of one year. As is customary, the warranty does not apply to acts of God, vandalism, or misuse of property and applies only to contractor recommended materials. The Warranty of Construction applies only to the installation/construction and not to the material itself.
- Foundations of any kind are the responsibility of the architect, engineer, draftsman or person who supplies who supplies the design, plan or layout.
- Gill's Crane Service, Inc. is not responsible for any and all damage that may occur during the vibration of foundation pilings as requested.
- Gill's Crane Service, Inc. is not responsible for the movement of land that may occur affecting the adjacent structures in any way.
