

**ENCLOSURE "6"**  
Interior EGA Graphic

Lobby wall painted USMC Retail Red.

EGA graphic is surface-applied, self-adhesive vinyl. Color to match USMC Retail Gold.

The EGA graphic is always large and placed high on the red wall.

Scale the EGA so that the bottom is no more 3'-0" above the floor.

If placed on a long wall where no fixtures or furniture will block it, the EGA can be bigger and closer to the floor.
