- The following questions were asked and answered at the pre bid meeting:
  - Can you define muckup, is it anything that comes out of the ditch? Yes
  - Note 6 under the wall section detail says 12" crushed stone, but shows 6" sand under catch basin. Answer: the 12" is for conflict boxes, the 6" is for catch basins.
  - What are the elevations for sidewalks and tops of catch basins? Slope is specified, tying into existing so that sets elevations.
  
- The following additional questions were asked at the pre bid meeting:
  - It was asked to get clarifications on the Davis Bacon Wages.
  - It was asked to get clarifications on the Unit Price Form.
  - It was asked to get clarifications on the testing.
  - Will the contractors be able to get the coast guard regulations referenced on sheet C102? Yes the reference # will be provided.
  - It was asked about bidder questions and when is the final to turn them in.
  
- We all left to walk the mandatory site visit and it ended at 11.
