RE: War Room Standby Generator and Wiring Inspection
5825 Florida Blvd, Baton Rouge, Louisiana 70806

Dear Mr. Rudesill,

Dammon Engineering has completed the subject inspection, please find the discrepancies attached. The inspection complies with the Nation Electrical Code 2008. The discrepancies should be complete by a licensed contractor. Several of these discrepancies will require outages, which will require night or weekend work.

We have estimated the corrections to cost approximately \$26,000.00

Sincerely,

David Dammon, VP
