RE: Washington Heights Community Center Dwelling

Dear Mr. Hewitt,

Dammon Engineering, Inc. is pleased to respond to your request for our proposal to provide Engineering services to design the renovations of the Washington Heights Community Center Dwelling.

As discussed, Dammon Engineering will provide plans for the renovation of the Community Center, including structural, mechanical, electrical and plumbing plans. We will also provide construction administration during construction of the project.

We propose a fee of \$6,900.00 for this work. The balance will be invoiced upon design completion.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon, VP
