RE: Slidell AHU Fire Alarm

Johnson Controls, Inc. is pleased to provide you with this proposal to furnish, install and program the Controls for the above referenced project as per the following scope:

Provide parts and mounting, terminating & programming labor to interface the fire alarm system to AHU. Johnson Controls will install one duct detector on each supply and return side of the air handler unit. Johnson Controls will provide an intelligent relay that will shut down the air handler unit in an alarm event. Johnson Controls will obtain a Fire Marshall's Exemption to gain approval before

Price:

\$2,070

Please call me if you have any questions at 337-298-4021.

Thanks

Paul Harris

RE: Slidell Memorial Hospital Pharmacy Upgrades – CGSC Job #10-40 (COR #3)

Dear Tom,

As requested, we are pleased to submit an adder price of \$410.00 to perform additional electrical work associated with providing 120V power to APS-1 for control voltage as per your request. Please advise in writing if acceptable. No materials will be ordered or work performed until such notice is received from your office.

If you have any questions or require any additional information, please don't hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read 'James G. Cochran', is written over a large, stylized 'CG' monogram.
