RE: Building 3, Second Floor Renovation
New Orleans Facility

Mr. Uhle,

Thank you for the opportunity to propose our services for the referenced project. Dammon Engineering is pleased to provide you with our proposal to furnish architecture and engineering services for the above-proposed project to be located in New Orleans and consisting of the renovation of approximately 24,605 square feet of office space.

Our design package will include project specifications and drawings, ready for bidding, provided to you following 100% design completion as well as as-built drawings for demo plan of all associated work to be removed.

We propose a fee of approximately 4% of Construction Cost. Based on an Estimated Construction Cost of \$1,660,000.00, our fee would be \$66,400.00 (Sixty Six Thousand Four Hundred Dollars). This fee includes city and state reviews. The above fee does not include the cost of soils analysis, drainage studies, traffic studies, wetlands determination, or other engineering studies that may be required by government agencies.

Dammon Engineering, Inc. will be available during the construction phase to answer questions and clarify information contained in our plans.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance and Workmen's Compensation Insurance.

If you have any questions, or require additional information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
