

The newspapers of **Louisiana** make public notices from their printed pages available electronically in a single database for the benefit of the public. This enhances the legislative intent of public notice - keeping a free and independent public informed about activities of their government and business activities that may affect them. Importantly, Public Notices now are in one place on the web (www.PublicNoticeAds.com), not scattered among thousands of government web pages.

REQUEST FOR STATEMENT OF QUALIFICATIONS FOR ENGINEERING SERVICES

The Plaquemines Parish Government has secured funding through FEMA & GOHSEP for the Plaquemines Parish Wind Retrofit Project HMGP # 1603-075-0003. Plaquemines Parish Government would like to secure engineering services for design and construction oversight for wind retrofit of thirty (30) buildings throughout Plaquemines Parish to provide protection from winds up to 140 MPH.

The process for the selection of the engineering firm will be in accordance with the procurement requirement of Federal Regulations 44CFR Part 13, Para 36 "Procurement". All responses will be evaluated in accordance with the selection criteria and point systems identified in the Engineer Statement of Qualifications Package available at the Plaquemines Parish Government, Engineering Department, 102 Avenue "G", Belle Chasse, LA 70037, during the hours from 8 AM to 4:30 PM. This package defines the scope of services to be performed by the selected firm. The contract will be awarded based upon the proposal most advantageous to Plaquemines Parish Government.

Interested engineering firms are invited to obtain the Engineer Statement of Qualifications Package by contacting to Ken Dugas, Chief Engineer at the above address or by telephone (504) 297-5643. The applicant's completed Statement of Engineer Qualifications Statement must be received by the Plaquemines Parish Engineering Department, 102 Ave. G., Belle Chasse, LA no latter than 10:00 a.m. on Tuesday, August 25, 2009.
