

The newspapers of **Louisiana** make public notices from their printed pages available electronically in a single database for the benefit of the public. This enhances the legislative intent of public notice - keeping a free and independent public informed about activities of their government and business activities that may affect them. Importantly, Public Notices now are in one place on the web ([www.PublicNoticeAds.com](http://www.PublicNoticeAds.com)), not scattered among thousands of government web pages.

#### Public Notice

Notice is hereby given that the Regional Planning Commission is requesting qualification statements from firms interested in submitting a proposal for the following project.

Transportation Plan Refinement  
Olde Towne Parking & Enhancement Study  
City of Slidell  
St. Tammany Parish  
(Task SL-5.10; FY10 UPWP)

An outline of the desired scope of work is available from RPC upon request and at its web site [www.norpc.org](http://www.norpc.org). Contract services are expected to commence approximately 6 weeks from the date of this notice and will be completed within 12 months following the award of the contract. This is a non-negotiated, lump sum contract in the amount of \$75,000. All interested firms are invited to submit their qualifications for undertaking the above study. This project and RPC Notice to Proceed is predicated upon final approval from the Louisiana Department of Transportation and Development.

Interested firms shall furnish sufficient technical and supervisory personnel to insure expeditious completion of the work. Firms with demonstrated land use, urban design, transportation planning experience, competence, and qualifications pertinent to the above project are being sought. Socially and economically disadvantaged firms are invited to submit qualifications for undertaking the above mentioned work. You are also advised that an 18% minority participation (MBE/DBE) goal has been adopted by the Regional Planning Commission.

Qualification statements are to be submitted on Standard Form DOTD 24-102, "Professional Engineer and Related Services Questionnaire for Specific Project." Submit your qualifications on Standard Form DOTD 24-102 on a CD as a PDF file (one copy) OR alternatively, but not preferred, you may submit three paper copies of your qualifications. Experience, both firm and individual; past performance on Commission projects; current work load; location where work will be performed and firm size will be the significant evaluation factors which will be used in selecting a firm for the above study. Failure to submit all of the information required on Standard Form DOTD 24-102 will constitute a non-response.

Letters of interest and qualification statements are to be identified by Project Title and RPC Project Number and are to be submitted prior to the 12:00 noon deadline on Thursday, August 6, 2009 by hand or mail addressed as follows:
