<b>Project Name:</b> Springs at Freamux Town Center	<b>Bid Number:</b>
<b>Project Location:</b>	<b>Bid Date:</b>

Item Description	Estimated Quantity	Unit
------------------	--------------------	------

**Downspout Connections** 314.00 EACH

**Includes:**

- Labor, Material and Small Tools necessary for the installation of Sub-Surface Drainage from the proposed Downspouts to the Storm Drainage System
- Includes Downspout Transition Adapter, Pipe & Fittings to Storm Drainage System

**Excludes:**

- 6" Stub-Up or Connection shall be brought to within 3' of Downspout by others

**Total Bid Price: \$38,936.00**

**Notes:**

- RCI anticipates being able to mobilize and install these Downspouts per building. If additional mobilizations are required, pricing shall be adjusted accordingly.
- All applicable taxes are included in above pricing.
- Performance and Payment Bond is not included in above pricing.
- Please note that RCI does not see the advantage, or need, to thrust block the 90's - non-pressure situation. Furthermore, a simpler and less costly alternative would be to utilize 4" flex ADS in lieu of SDR 4" and 6". This option would reduce this estimate by 12,560.00.

**Payment Terms:**

Pricing is valid for Net 30 days unless intent to contract or contract is awarded.
