

Reyes Residence - MTG 8/17/06

Open Underneath

10'-0" off Ground - Maybe

4'-0" above FEMA's BFE

Clients Need to give us their existing BFE

They think they're @ 6'-0 now

" " FEMA's BFE is 11' or 12'

* Rear Stairs need to land on the
Cement.

Make the FFE @ 10' off ground
which puts head height under house @ 9'-0" clear

(Plan	Old	New)
Floor Hgt =	0	120
Clg =	97 1/8	217 1/8"
