Commercial Building Review

- | | |
|------------|---|
| 12/16/2015 | Contact Planning Department for determination of level of CPZ review required. |
| 12/16/2015 | Contractor must show proof of registration for Louisiana General Sales Tax from the Louisiana Department of Revenue and Taxation. (225-219-7318) |
| 12/16/2015 | The Design Professional shall include a statement on the drawings to the effect that: "I have researched the building and related codes of Jefferson Parish and the Louisiana State Uniform Construction Code and to the best of my knowledge and belief these drawings are in compliance therewith." This can be handled with a letter to this effect. |
| 12/16/2015 | Separate permits are required for any new signs. |
| 12/16/2015 | A copy of an executed contract must be provided. Permit fees may be adjusted accordingly.. |
| 12/17/2015 | Construction of the outside seating deck will eliminate access to the dumpster area. |

12/17/2015

It appears that the outside seating deck crosses on to lot 14. If a lot line is crossed a re-subdivision will be required.

Additional requirements and/or comments may follow upon receipt of the above required information. Before any permits can be issued, a copy of an executed contract must be provided and permit fees may be increased accordingly.

NOTE: This review shall in no way permit and/or authorize any omission or deviation from the specific requirements of the adopted codes.

If you require further assistance, please contact the appropriate office at the number listed above.
