RE: Permit Application # 15-343902 EIPaso of Metairie LLC
601 VETERANS BLVD, METAIRIE, LA 70005
Commercial Addition

Dear Mr. Fausterman,

We are in receipt of your letter dated December 17, 2015. Please accept the following responses to your comments:

1. Contact Planning Department for determination of level of CPZ review required.
The owner has. Additional copies of the site plan were requested and the owner has brought them to planning.
2. Contractor must show proof of registration for Louisiana General Sales Tax from the Louisiana Department of Revenue and Taxation. (225-219-7318)
Contractor shall confirm.
3. The Design Professional shall include a statement on the drawings to the effect that "I have researched the building and related codes of Jefferson Parish and the Louisiana State Uniform Construction Code and to the best of my knowledge and belief these drawings are in compliance therewith." This can be handled with a letter to this effect.
Noted on drawing. See attached.
4. Separate permits are required for any new signs.
Owner shall coordinate.
5. A copy of an executed contract must be provided. Permit fees may be adjusted accordingly.
Owner will supply.
6. Construction of the outside seating deck will eliminate access to the dumpster area.
Dumpster area has moved to the West in front of the owner parking area.

7. I appears that the outside seating deck crosses on to lot 14. If a lot line is crossed a re-subdivision will be required.

This abuts lot 14.

If you have any questions, or require any additional information please feel free to call.

Sincerely,

Brian Mistich, P.E.
