Papa John's Restaurant

Re: E.C.O. Builders, Inc.

To whom it may concern:

It is our understanding that the above noted client is being considered as a candidate on future projects. In this regard, our valued client, E.C.O. Builders, Inc. has asked that we share with you our experience as their surety agent. We have had the privilege of providing bonds for the past two plus years. They are also a highly regarded and valued client of Allegheny Casualty Company which is an A-7 Best Rated Company and listed on the U.S. Federal Treasury List.

In our opinion, the company is capably staffed, properly financed and possesses successful management. We feel we can give considerable consideration for the following project:

- Papa John's Pizza (estimated at \$150,000.00)

Naturally, this letter is not a commitment to provide any bonds until the final contract, bond forms, underwriting conditions, and warranty period has been reviewed and accepted by the principal and the surety. However, this letter does act as an indicator for possible support on future bonds.

We would welcome the opportunity to answer any questions you may have. Feel free to contact me if you need any additional information.

Sincerely,

Cathy C. Turner
