

## **PROJECT SUMMARY**

**Slidell Memorial Imaging Center  
1495 Gause Blvd.**

**June 24, 2016**

The following is a summary of the Planning Department's Commercial Review Checklist.

Please provide full-sized revised plan sheets to the Planning Department, Building & Safety, and Engineering, if necessary.

- 1) Please provide parking count after removal of 6 parking spaces.
- 2) Please provide parking striping of all parking spaces within site plan. Provide drive-lane widths at new 2-way parking access and at new concrete walkway at new entrance.
- 3) Confirm landscaping to remain or to be removed.
- 4) Provide detail of replacement landscaping for any to be removed.

Thank you.
