Product Highlights

Color / Finish Not Applicable

A convenient solution for commercial or institutional specifications, this all-in-one combination package includes a wall-mount .125-gpf manual flushometer and a Bardon urinal. Reliable piston technology delivers consistent performance and accurate discharge across a full range of incoming water pressures. This combination is ideal for water conservation installations, and qualifies as a High-Efficiency Urinal (HEU) that can help a building earn Water Efficiency points in the LEED® Green Building Rating System.

Features

- Includes K-13520-CP flushometer and K-4904-ET-0 Bardon urinal.
- Reliable piston valve technology.
- .125 gallons per flush (gpf).
- Chloramine resistance on all rubber components exposed to waterway.
- Includes vacuum breaker and control stop.
- 3/4-inch top spud.

Dimensions

Height 38-5/8"
Length 14-1/8"
Width 18"

Notes: 14-inch-extended rim allows for ADA installation.

Technology

- This product can help a building earn Water Efficiency points in the LEED® Green Building Rating System. See specification sheet for water use data.
