RE: WGSO Radio Buildout
Mutter West Shopping Center
Hwy 190/Slidell, Louisiana

Dear Mr. Brown,

It was a pleasure to meet with you and discuss the buildout for WGSO Radio to be located in the Slidell West Shopping Center on Hwy 190 in Slidell. As discussed, Dammon Engineering, Inc. will provide our Engineering services to design the above referenced, approximately 2,304 s.f. facility through Fire Marshal approval.

We propose a total fee of \$2,00/s.f. or \$4,608.00 (Four Thousand Six Hundred Eight Dollars) for this work. This fee includes the Fire Marshal review fee as well as five sets of plans provided to you following the Fire Marshal's review and response. This fee does not include cost of soils analysis (if required) or other government agency fees. This fee also does not include the cost of traffic, or other engineering studies, which may be required by St. Tammany Parish.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
