Dear Mr. Ramke,

The owner has decided not to include the two additional buildings (retail office and doctors office) in this project. This project will only entail the La Quinta Inn site. The Hammond permit office has asked us to get your approval on the revised drawings, which include the civil, landscaping, and site lighting plan that we have provide you to re-stamp.

If you have any questions, or require any additional information, please feel free to call.

Sincerely,

Emmett G. Dammon, P.E.
