RE: SSC Building 10 Office Renovation

Mr. Uhle,

It was a pleasure to meet with you and discuss your project. As discussed, Dammon Engineering, Inc. will provide our Architectural and Engineering services to design the mechanical, electrical and plumbing portion of the renovations to the above referenced office building per your layout.

We propose a total fee of \$1.75/s.f., or \$5,036.50 (Five Thousand Thirty Six Dollars and Fifty Cents) for this work, including five sets of plans provided to you following design completion. You have indicated that you will not require Fire Marshal submittal; therefore, our fee does not include the Fire Marshal application fee, nor any other government agency fees.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Charles K. Dammon, VP
