**Subject:** RE: Camp Villere Bridges (UNCLASSIFIED)

Classification: UNCLASSIFIED  
Caveats: NONE

Mr. Dammon,

Thanks for the quick response. Please drive to the front gate of Camp Villere and tell the gate guard you are with Dammon Engineering and you have a meeting with me at Building 103. I will inform the gate guard to be expecting you. Building 103 is about 50 yards from the gate entrance on the left side. We can link up there and drive to the bridge.

Thanks,

R. Timothy Dykes  
LTC, EN  
Facilities Manager  
504-278-8339 (Office)

Mr. Dykes,

Thank you for contacting us. We would like to meet you at the site for 1:30 pm tomorrow. Where should we meet at to gain access?

Chuck Dammon  
V/P Project Manager  
Dammon Engineering  
554 Old Spanish Trail  
Slidell, La. 70458
