RE: Proposal to Furnish Design Services  
2400 s.f. Renovation/1267 s.f. Building Addition  
Walker, La

Dear Mr. Amar,

Thank you for letting Dammon Engineering propose the design addition and renovation to your existing Convenience and Gas Station located in Walker, La. Dammon Engineering, Inc. will provide our services to design the above referenced building in accordance with Life Safety Code 2009 and International Building Code 2006. The Design will include foundation and architectural drawings. Dammon Engineering, Inc will also submit the plans to the State Fire Marshal for review.

Our fee for design services is \$9,167.00 (Nine Thousand One Hundred and Sixty-Seven Dollars) for this project. We require a \$1,000.00 deposit upon signing this contract. At 50% completion of the design you will be billed for \$4,583.50 then the remaining will be billed upon acceptance of the design by the State Fire Marshal. This fee does include the State Fire Marshal application fee, but does not include parish plan review fees or any other government agency fees, studies, surveys or soil borings, which may be required. Any required site visit(s) by you or your contractor will be charged at the rate of \$85.00 per hour.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

David Dammon  
Project Manager
