RE: New Restaurant/Bar  
6443 Hwy 3081  
Pearl River, La

Dear Mr. Marshall

Dammon Engineering, Inc. is pleased to propose our services to design your new Restaurant/Bar to be located in Pearl River, Louisiana. Your new facility will consist of a single story facility approximately 4,000 sq. ft.

We will provide a design package, including Site Plan, Floor plan, Mechanical, Electrical, and Plumbing Plans. We will submit for Fire Marshal review and IBC review.

We propose a total fee of \$8,597.50 (Eight Thousand Hundred Dollars), and will include five sets of plans provided to you following design completion, along with pdf's of all drawings.

This fee does not include cost of soils analysis or other government agency fees. This fee also does not include the cost of the Health Department, landscaping plan, sprinkler plan, fire alarm, survey/topo of the site, traffic study, or other engineering studies, which may be required.

We require a deposit of \$2,000.00 and will bill at 100% design for the balance.

Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon, VP
