Dear Mr. Dammon:

The services to review and identify the scope and associated cost estimate for the above referenced project has been assigned to your firm. This work is to be performed on an hourly basis using the rates indicated in the Procedure Manual attached to the Professional Services Agreement included in the RFQ that you responded to and were selected to be included in the Type I-B Rotation Pool. Upon completion of this phase, if approved to go forward with the project, a contract for signature or letter of agreement will be sent to you with the agreed upon budget. Any hourly fees paid will be applied to the Architectural Services Agreement fees.

A log of time with a description of work activities is to be included with invoicing for this project. If you cannot locate your copy of the Procedure Manual, please contact my office and one will be sent to you.

If you have any questions, please call me.

Sincerely,

CAMERON P. TIPTON
