**RE: Project: SOF Riverine and combatant Craft Operations Facility – John C. Stennis
Space Center – Overall Utility Plan**

Dear Mr. Seals,

We are in receipt of and have reviewed the submitted plans for the above mentioned project. The Hancock County Utility Authority has no objection for the project to proceed, under the following terms and conditions:

- The project is inside the Stennis Space Center Facility and is an expansion of the existing Stennis Space Center water system;
- Coordinate your work through the completion of the project with the MDOH and any other state or federal agencies necessary

If you should have any questions or require any further assistance with this project, please feel free to contact me.

Sincerely,

David Pitalo
Executive Director
