I certify that this plat does represent an actual ground survey and that to the best of my knowledge no encroachments exist either across any of the property lines, except as shown. Encroachments shown hereon are not necessarily exclusive. Encroachments of record as shown on title opinion or title policy will be added hereto upon request, as surveyor has not performed any title search or abstract.

I have consulted the Flood Insurance Rate Maps and found this property is not in a Special Flood Hazard Area.
