RE: Sal & Judy's Mix Plant/Sauce Mix Facility
Industrial Drive
Slidell, LA 70460

Dear Mr. Corso,

It was a pleasure to meet with you and discuss your project to design the build out of electrical, mechanical and plumbing for the referenced facility, through Fire Marshal approval, and to handle the submittal process. As discussed, Dammon Engineering, Inc. will provide our Engineering services to work with you and design the build out of approximately 8,344 s.f. of process and packaging area and approximately 5,994 s.f. of warehouse area..

We propose a fee of \$1.25/s.f. for the process and packaging, .25/s.f. for the warehouse and \$1,500.00 for the submittals, for a total fee of \$13,428.50 (Thirteen Thousand Four Hundred Twenty Eight Dollars and Fifty Cents) for this work. This fee includes the Fire Marshal review fee and five sets of plans provided to you following the Fire Marshal's review and response. Our fee does not include any parish or other government required studies or tests, nor the cost of traffic, or other engineering studies, which may be required.

If selected, we request a deposit in the amount of \$3,000.00 to start the project, with the balance due following design completion and Fire Marshal approval. We propose to start work immediately upon written acceptance of this proposal. We will need the information from the electrical and mechanical contractor very soon.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
