## ABOUT THIS PRODUCT

**Steam**  
Dewrinkle and refresh your laundry right in the dryer thanks to innovative built-in steam technology

[Play Video](#)

**Built-in WiFi**  
Enjoy the ultimate in convenience and the latest in technology with the ability to monitor and control your laundry from anywhere and receive real-time notifications and updates

[Play Video](#)

**Sensor Dry**  
Prevent over-drying and get more wear out of your clothing thanks to innovative dual thermistor technology, that continually monitors temperature and moisture in the dryer

[Play Video](#)

**Wrinkle Care**  
Spend less time ironing thanks to an innovative wrinkle care system that allows you to tumble clothes without heat to reduce creasing

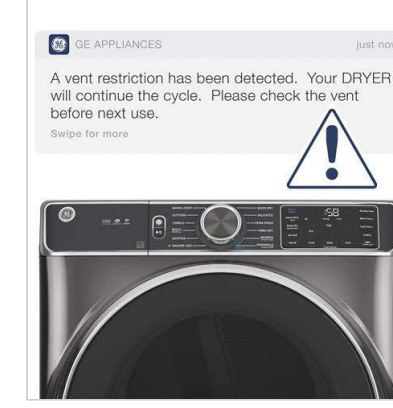

**Damp Alert**  
Be notified when clothes are the ideal dampness to remove from the dryer for wrinkle-free results

**Temperature Options**  
Four different temperatures for full control over the drying process

**Quick Dry**  
Dry a full load in less time thanks to innovative quick dry technology

**Vent Sensor**  
Maintain optimal drying performance with this notification that alerts you when a restriction is detected in your dryer vent

**Sanitize Cycle**  
Reduce certain types of bacteria by 99.8% with this cycle

**Up to 120 ft. venting**  
Maximize your dryer's performance with innovative venting, designed to provide optimal airflow, enhanced drying ability, and flexible installation

**Digital Touch Controls**  
Quickly and easily adjust your settings to do laundry your way using these sleek controls

**Dry Level Options**  
Four different drying levels to dry the way you want

## CLAIMS & CERTIFICATIONS
