ABOUT THIS PRODUCT

SmartDispense™ Technology

An intelligent dispenser that holds up to 48 loads of detergent and automatically dispenses the right amount, saving you time and making laundry effortless

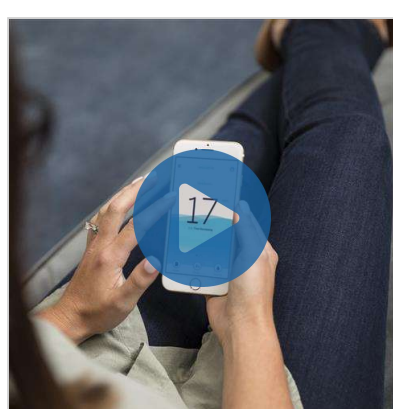

[Play Video](#)

Water Station

Pre-treat your clothes inside the washer with an integrated water station that dispenses water and detergent together, or just water, all at your desired temperature

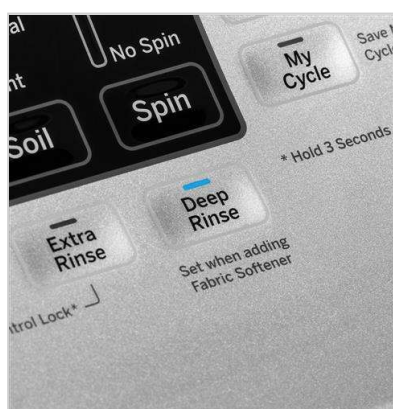

[Play Video](#)

Built-in WiFi

Enjoy the ultimate in convenience and the latest in technology with the ability to monitor and control your laundry from anywhere and receive real-time notifications and updates

[Play Video](#)

Multiple Rinse Options

Ultimate flexibility with your rinse cycles to remove detergent, fabric softener, and stubborn soils with options like Deep Rinse, Extra Rinse and Warm Rinse

Digital Touch Controls

Quickly and easily adjust your settings to do laundry your way using these sleek controls

Deep Fill

Customize your water-fill levels with just the touch of a button and fill the tub with as much water as you want so you can wash your way

Speed Wash

Provides a quick wash for lightly soiled items that are needed in a hurry

Power Prewash

Get even the most heavily soiled items perfectly clean in a single cycle that adds detergent, agitates, and soaks, then drains the dirty water and repeats the wash process

[Play Video](#)

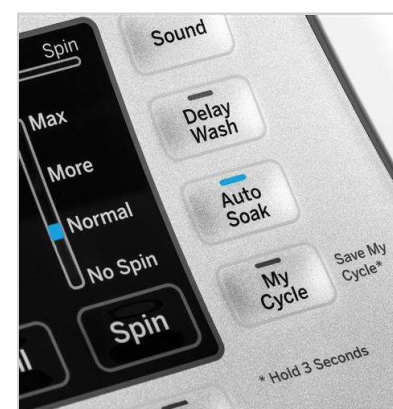

Sanitize with Oxi

Remove 99.9% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best

QuietWash

Enjoy a quieter wash and reduced vibration thanks to innovative Dynamic Balancing Technology

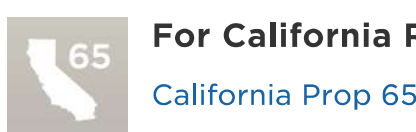

Auto Soak

Loosens stains by soaking for up to 2 hours

10-year limited warranty

Rest assured knowing your washer is backed by a 10-year limited warranty
