RE: Log Home
Hwy 21

Dear Mr. & Mrs. Courtade,

Dammon Engineering, Inc. proposes to furnish Engineering services for the above referenced, approximately 3,350 s.f., log home to be located on Wilson Road in St. Tammany Parish, Louisiana.

We propose a total fee of \$2.50/s.f., or \$8,375.00 (Eight Thousand Three Hundred and Seventy Five Dollars) for this work, including five sets of plans provided to you following design completion. This fee does not include the cost of soils analysis (if required), survey, topo, or other government agency fees. If selected, we ask that you provide a \$1,000.00 deposit and we propose to bill \$3,000.00 @ 50% completion, with the balance due following 100% design completion.

We will ask that you provide a preliminary drawing approval after we have designed the layout and we will provide you with a set of drawings for approval prior to final design approval.

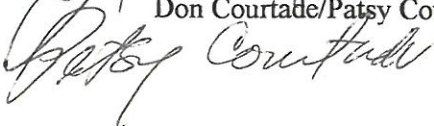

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
