ST. TAMMANY PLANNING DEPARTMENT 12/07/2018

ATTN: Mr. Theodore C. Reynolds

Mr. Reynolds:

I am the design engineer for the Wine and Cheese Bar at Oak Harbor. (Project # 2017----). This project is located on Lot 1A, Sections 27 & 34, T.9.S. - R.14.E in St. Tammany Parish. The site drains directly in the man made canals that drain directly into Lake Ponchartrain and does not effect any existing Parish drainage, therefore, I am requesting a "Fee in Lieu of Detention" for this project.

THANK YOU,

THOMAS E. PITTMAN P. E.
