PURCHASE AGREEMENT & TERMS

Please read each section carefully and sign below for acceptance of terms.

Customer is responsible for obtaining local permits, covenant searches, right of way or setback restrictions. Customer will inform the installation crew of any underground cables, gas lines, or any other utility lines. Therefore Eagle Carports, Inc. nor its subcontracted installation crew will be held liable for any damages incurred to the before mentioned utilities during installation.

Eagle Carports, Inc. strongly recommends buildings longer than 31 foot to be vertical roofs to avoid possible leaks and or rust in between seams. Buildings purchased 32 foot long or longer that do not have vertical roofs will forfeit the 20 year limited warranty on paneling.

Base Price reflects top only; sides, ends, etc... are optional features. Frames on all buildings are 1 foot shorter than roof length. Roofs have 6" overhang on front and back. Frame lengths are as follows: 21'= 20' Frame, 26'=25' Frame, and so on. Cement pad to match frame length.

All buildings have a 30 day workmanship warranty effective upon the day of installation (manufactured panels are warranted for 20 years– installation workmanship is warranted for 30 days). Any installation concern must be reported within 30 days to Eagle Carports, Inc. Eagle Carports, Inc. is not liable for any damages as a result of any inclement weather. Un-level lots, and customer modifications will void said warranty.

Customer expressly agrees that the carport/garage/barn shall remain property of Eagle Carports, Inc. until payment is made in full. Eagle Carports, Inc. hereby retains a purchase money security interest in said building as set forth in Section 9 of the Uniform Commercial Code as enacted in the state where building installed. Failure to pay will result in repossession of unit. This does not relieve the customer from liability for specific performance of the contract including legal fees and court costs, at the seller's option.

Eagle Carports, Inc. will not be responsible for down payment refunds. The independent contractor dealer will have this responsibility if a refund is legally due. Eagle Carports, Inc. reserves the right to cancel any order. Prices subject to change without notice. No refunds on special orders or down payments. An additional labor charge will be added to orders for buildings being installed over RV's, Campers, Large Obstacles, Retaining Walls, Docks, Decks, Over Fences, etc...

Balance due to be paid in FULL at time of completion of building, to Eagle Carports, Inc. by Cashiers-Check, Money Order, Visa, MasterCard, or Discover Card. *NO CASH or PERSONAL CHECKS ACCEPTED*.

I have read and completely understand the above terms and give my approval for installation of the above listed unit.
