Nemco Food Equipment reserves the right to make changes without notice in design, specifications and models.

In seconds, produce mounds of uniformly sliced fresh vegetables & fruits for salad bars, sandwich & pizza toppings and more... with minimal training and big savings in time and labor!

Is Fast & Easy to Operate**Optional Shredding Plates**

3/16" and 5/16" shredding plates attach in seconds to make quick work of cabbage, cheese, eggs, carrots, potatoes, plus other fruits and vegetables.

The EASY SLICER is available as a shredding-only model—The EASY SHREDDER.

Adjustable Model

Eliminate time and product-wasting guesswork w/ Nemco's exclusive visual thickness gauge, standard on all adjustable thickness models. The gauge is calibrated in 1/16" increments to a maximum of 1/2". The operator presets the desired slice screw control.

Fixed Model

Assure absolute portion control with one of our five fixed-slice thickness models: 1/8", 5/32", 3/16", 7/32" or 1/4"
