DMX MUSIC - THE SYSTEMS SPECIALISTS FOR YOUR BUSINESS

DMX MUSIC, the most trusted name in delivering music and imaging programming, introduces its professional speaker series ensuring a quality experience from source to sound.

With our understanding of how music, imaging and systems work in high-traffic business environments, DMX MUSIC has put its expertise into flexible speaker systems that enhance playback with unbeatable sound quality.

DMX Music's multi-purpose speakers offer:

- Superior Fidelity
- High Aesthetic Appeal
- Dependability
- Quick and Easy Installation
- Competitive Pricing

DMX MUSIC SM SERIES

The SM line includes two types of ultra-compact, wall-mount loudspeakers. With excellent bass response, extended bandwidth and superb musicality, the SM series works to eliminate distortion while delivering a smooth, clear sound. Constructed to maximize speaker efficiency, the SM series allows your music to sound fuller at lower volumes.

SM104
