Item #: _____ Qty.: _____
Model #: _____ Project #: _____

Optional Accessories	Model #	Qty.
Dividers		
Ledges		

- ◆ ideal where floor space is limited
- ◆ shelf height adjustable in one-inch increments
- ◆ positive top and bottom mount with center support
- ◆ available in four different widths
- ◆ units available only in chrome finish

optional EAGLE shelves feature

patented

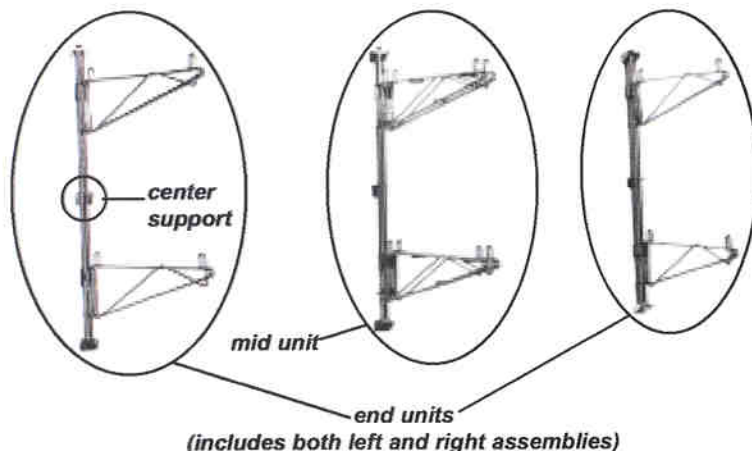

QuadTruss®

design

makes shelves up to 25 % stronger
and provides a retaining ledge for
increased storage stability and
product retention

Spec sheets available for viewing, printing or downloading from our online literature library at www.eaglegrp.com

adjustable post wall mounts

Post wall mounts are sold as prepackaged "end" and "mid" units, or sold as individual components. The prepackaged units contain all needed hardware except wall bolts.

If the wall assembly is to be only one shelf long, order only one end unit; if the wall assembly is to be two shelves long, order one end unit and one mid unit; if the wall assembly is to be three shelves long, order one end unit and two mid units, etc.

* Shelves sold separately

stationary wall mounts

Designed for fixed applications where vertical adjustment is not required. End unit consists of one single shelf support and mounting plate. Mid unit consists of one double support and mounting plate.

length		model #		weight	
in.	mm	end unit	mid unit	lbs.	kg
