RE: Money Hill Condominiums
Abita Springs, La

Mr. McIver,

Thank you for the opportunity to propose our services for the referenced project. Dammon Engineering is pleased to provide you with our proposal to furnish engineering services for the above-proposed project that will consist of a two story 16 unit Condominium Complex.

We propose a fee of \$3,500.00 per discipline to design the foundation, mechanical, plumbing and electrical services needed for this facility. The above fee does not include the cost of survey(s), soils analysis, drainage studies, traffic studies, wetlands determination, or other engineering studies that may be required by government agencies.

Dammon Engineering, Inc. will be available during the construction phase to answer questions and clarify information contained in our plans.

If you have any questions, or require additional information, please feel free to call.

Sincerely,

David Dammon, President
