RE: CP07-05-065 - Church

Dear Timothy Adamoah:

On June 5, 2007 the Zoning Commission, in regards to the above captioned case, recommended that the proposed Church be approved.

Since the case was approved, please find a copy of the Staff Report from the meeting for staff comments and/or conditions. There is a 10 day appeals period following the Zoning Commission approval before you may file for your permits. Prior to obtaining the necessary building/land clearing or other permits as may be necessary, you must submit any information as required by the comments and/or conditions for staff review and approval. Failure to submit any required information may result in delays longer than the minimum appeal time of 10 days.

Should you have any questions, please call me at (985) 898-2529.

Sincerely,

Helen Lambert  
Assistant Director
