Pastor Joseph Pedreira
Bride Adorned Church
Slidell, La. 70458

RE: Activity Center

Dear Mr. Pedreira,

It was a pleasure to speak with you and discuss plans for renovation of existing approx. 8,558 sq. ft. of building to be located at the above site. Dammon Engineering, Inc. is pleased to propose our services to design the following, the interior layout, show fire walls with all exists, lighting plan all through state Fire Marshal approval. Our design package will include a complete set of drawings ready for permitting.

We propose a total fee of \$3,500.00 for this work.

Our fee includes five sets of plans provided to you following the Fire Marshal's review and response, as well as the Louisiana State Fire Marshal Review Fee.

Our fee *does not include* the cost of, soils analysis, survey, drainage or paving plan, landscaping plan, wetlands determination, or other engineering studies that may be required by government agencies. Our fee also *does not include* design of the sprinkler or fire alarm systems. These items, if provided by Dammon Engineering, will be billed at a "cost plus 10 %" fee.

If selected, we will invoice \$1,000.00 at start up. Our remaining fee of \$2,500.00 will be invoiced after fire marshal review.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon, VP
