RE: Structural for St. Joachim Church in Marrero

Thank You for considering Dammon Engineering to design the Structural system(s) for subject project.

We propose a fee of \$5,000.00 for the design of the Foundation with pile support and the Metal Stud building. These fees do not include site visits which will be billed at our standard hourly rate if requested.

We look forward to working with you on this project. Please indicated your acceptance of the above by signing below. If you have any questions, or require any further information please feel free to contact us.

Thank You,

David Dammon
President
