Electric/Gas Dryer

HIGHLIGHTS

Ultra-Large Capacity
Intelligent Electronic Controls
Sensor Dry System

SMART TECHNOLOGY

- 7.3 cu.ft. Large Capacity
- Sensor Dry System
- SmartDiagnosis™
- LoDecibel™ Quiet Operation
- 9 Drying Programs
- 5 Temperature Settings
- Wrinkle Care Option
- Custom Program

STYLISH DESIGN

- Upfront Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Chrome Door with Glass
- Stackable with Matching Washer
- Optional Matching Drawer Pedestal

ALWAYS STAY EFFICIENT

Efficiency can mean a lot nowadays, and this dryer knows it. Its ultra-large capacity will handle extra-large loads, so you finish your laundry faster. The Intelligent Electronic Controls with Dual LED Display and Dial-a-Cycle™ make it easier to get the settings right, so you can just "set it and go." And the Sensor Dry System will detect the level of moisture in the fabric and automatically adjust drying-time and temperature. If you appreciate efficiency, so does this dryer.

Ultra-Large Capacity

Do laundry a little less often. With 7.3 cubic feet of capacity, this dryer handles really large loads. Saving you time and energy.

Intelligent Electronic Controls with Dual LED Display and Dial-A-Cycle™

Let us take the guesswork out of doing the laundry. The intuitive Intelligent Electronic Control Panel with Dual LED Display and Dial-A-Cycle™ makes it easy to find the right setting every time.

Sensor Dry System

What's worse than pulling clothes out of the dryer and finding they're still damp? Our Sensor Dry system measures the moisture levels during the cycle and automatically adjusts the drying time, assuring you get dry laundry every time.
