COVER

The above drawings and specifications, although not intended to constitute a contract, shall be read in conjunction with the contract documents and shall be subject to the terms and conditions set forth in the contract documents. The architect shall not be responsible for any errors or omissions in these drawings and specifications, or for any consequences arising therefrom, whether or not such errors or omissions are caused in whole or in part by negligence of the architect. The architect shall not be responsible for any consequences arising from the use of these drawings and specifications for any purpose other than that intended by the architect.
