Re: Dr. Aduli Sewer Force Main Extension
DES Number 14-012

Dear Mr. Redford:

Pursuant to the statutory authorities of and agreements between the Parish and your agency, with regard to the review and approval of detailed plans and specifications for water and sewerage systems to be constructed or modified in the unincorporated portion of St. Tammany Parish, please accept for review the enclosed documents for the following project(s):

Sewer force main and lift station connecting to the Timber Branch II Wastewater Treatment Facility (LA0122645) from Highway 21 in Covington, Louisiana.

The Parish has **NO OBJECTION** to the issuance of your agency's approval; please notify this office of your comments and/or approval.

FOR THE PARISH,
