Dear Ms. Llopis

It was a pleasure to discuss with you about your renovation. Dammon Engineering, Inc. is pleased to propose our services to provide the necessary steps needed for your ADA restrooms.

We will provide a detail of each restroom and what needs to be done to each restroom.

We propose a total fee of \$1,500.00 (One Thousand Five Hundred Dollars).

This fee does not include cost of Fire Alarm, Sprinkler Systems or other government agency fees. This fee also does not include the cost of a traffic study, or other engineering studies, which may be required.

Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

David Dammon, President
