If sewer line has to be replaced this tree will suffer fairly significant impacts. Care should be taken to dig the trench as narrow as possible. May be a candidate for removal.

Tree # 17 live oak

1100

If sewer line has to be replaced this tree will suffer fairly significant impacts. Care should be taken to dig the trench as narrow as possible. May be a candidate for removal.

If sewer line has to be replaced this tree will suffer fairly significant impacts. Care should be taken to dig the trench as narrow as possible. May be a candidate for removal.
